【Brief Introduction】

On November 6, 2024, the session of Toward Sustainable Prosperity: New Outlook for US Businesses in China (Closed-Door Roundtable) of the 7th Hongqiao International Economic Forum (HQF), hosted by US-China Business Council, HQF Secretariat and Shanghai Municipal Commission of Commerce, was held at National Exhibition and Convention Center (Shanghai). Officials from the Ministry of Commerce of China and the Shanghai Municipal Government attended the meeting and engaged in discussions with representatives from U.S. enterprises. Participating corporate guests shared their companies' development in China, discussed how to achieve sustained business growth in the Chinese market, and offered suggestions on how the government can support enterprises to realize their development in China and optimize the business environment.
