Form 2: On-site Activity Application Form	
Important Notes	
<ol style="list-style-type: none"> On-site activities shall adhere to the principles of "safety first" and "the sponsor takes responsibilities". The area for the on-site activity is only limited to the range within the activity space. If exceeding the scope of the designated space, in order not to affect the rights of other exhibitors and public safety, the on-site activity may be suspended or stopped. When filling in, please ensure that the above information is true, correct and complete. If the above content is found inconsistent with the on-site situation, or if the on-site safety supervisors discover safety problems in the course of the activity, the organizers have the right to request rectification. If the circumstances are serious, the organizers may order the exhibitor to stop the activity. All losses and consequences will be solely borne by the exhibitor. The application form for the on-site activity will be reviewed by the organizers together with the government safety supervision department. According to the Regulation on the Safety Management of Large-scale Mass Activities, an activity of a scale of more than 1,000 people or with the participation of influential public figures is defined as an important activity and subject to strict reporting and approval. And the organizers shall provide additional materials related to the activity including, but not limited to, the Work Program for Activity Safety, the Planning/Effect Map for the Site Layout, the Program for the Composition of Participants, the List of Participants and the Agenda for Activity. 	
Safety Responsibility Commitments	
<ol style="list-style-type: none"> The company undertakes to strictly abide by the laws and regulations of the People's Republic of China, as well as the relevant safety policies and requirements for the China International Import Expo, and to apply for and organize on-site activities of the China International Import Expo lawfully and civilly. The company will adhere to the principle of "safety first" during application and organization, take the initiative to investigate and eliminate all potential safety hazards, and ensure the safety of the process and content of the activities. The content of the activity will conform to the theme of the China International Import Expo, and all contents that may affect China's international image and the image of the China International Import Expo will be avoided. The person in charge of safety for the company is the first person responsible for the safety of the activity. The materials for activity application submitted by the company will be absolutely true and free from fraudulence and concealing of facts. The company will carry out relevant activities in strict accordance with the contents that have been reviewed and approved. During the holding of the activities, if the content of the activity is inconsistent with that examined and approved, on-site safety supervisors have the right to order rectification. The company will actively cooperate with on-site safety supervisors to implement relevant security measures, accept supervision and obey command. The company will complete material correction or supplementation and activities rectification within the prescribed time limit. If it fails, leading to the failure of the activities and causing losses and adverse consequences, the company will bear all responsibilities. The company will comply with the epidemic prevention and control policies and requirements of the China International Import Expo, strictly fulfill its primary responsibility for epidemic prevention and control, and implement targeted prevention measures. During the activity, the company will provide necessary epidemic prevention supplies, maintain on-site order, require all personnel to wear masks and maintain safe social distancing, ensure good ventilation at the venue, and minimize the duration of the activity as much as possible.

Form 13: Standards and Procedures for Self-appointed Special Booth Constructors at the China International Import Expo

- I. Standards for Self-appointed Special Booth Constructors
The following conditions represent the minimum requirements for approval as a self-appointed special booth constructor for exhibitors at the China International Import Expo.
 1. The applicant must be a legally independent entity registered within the People's Republic of China (excluding Hong Kong, Macau SAR, and Taiwan, hereinafter referred to as "Mainland China"), and must hold a valid business license or other proof of legal entity status.
 2. The applicant must have no record of legal or regulatory violations in the past three years (as verified through the "Credit China" website, the National Enterprise Credit Information Publicity System, and the China Enforcement Information Disclosure website).
 3. Any of the following circumstances during previous editions of the China International Import Expo will disqualify an applicant from being approved as a self-appointed special booth constructor:
 - (1) Receiving administrative penalties from relevant government departments at the Expo;
 - (2) Failing assessments conducted by the organizers or co-organizers of the Expo;
 - (3) Voluntarily withdrawing from signing the special booth construction contract for the Expo.
- II. Application Procedures for Self-appointed Special Booth Constructors
 1. Complete the "Special Booth Construction Application Form" and attach all required supporting documents. Submit these materials to the designated email address: es@ciie.org. The email subject line must include "Application for Self-appointed Special Booth Constructor." The application deadline is 17:00 on September 15, 2025 (based on the email timestamp).
 2. The Operations Coordination Team will review the submitted materials. Once approved, the self-appointed special booth constructor shall pay a performance bond of RMB 350,000 to the Organizer, the National Exhibition and Convention Center (Shanghai), no later than five calendar days after submitting the booth design drawings. The performance bond will be refunded in full, without interest, to the original account after the conclusion and settlement of the Expo.
 3. The Expo strictly enforces green and safe booth construction. All approved self-appointed special booth constructors must comply with the "Green Booth Standards," the "China International Import Expo Constructor Management Measures and Penalty Provisions," and all other relevant management regulations.

Letter of Commitment	
<p>To ensure safety, our company hereby pledges to observe the following regulations and take responsibility for the security of any matters related to indoor and outdoor booth set-up, decoration, demolition and maintenance during the move-in, the Expo and the move-out:</p> <ol style="list-style-type: none"> Our company pledges to conscientiously observe the guidelines and policies related to safety production and fire safety issued by relevant departments of the People's Republic of China and Shanghai Municipality and strictly execute all the related regulations, rules and provisions, including Fire Control Law of the People's Republic of China, Code for Fire Prevention in Interior Decoration and Design, Requirements on Fire Safety in Key Organizations, Code for Fire Prevention in Exhibition Buildings and Exhibition Design, Production Safety Law of the People's Republic of China, Regulations on the Reporting, Investigation and Disposition of Work Safety Accidents, and Regulations of Shanghai Municipality on Safe Production. 	

Please return this form by Oct. 15, 2025

Form 15: Special Booth Safety Responsibility Letter

- Our company pledges to strictly observe relevant rules and requirements of the Organizers and the venue, including Exhibitor's Manual, Pre-Expo Notices, Move-in Notices, Safety Precautions, On-site Notices and National Exhibition and Convention Center (Shanghai) User's Manual. In addition, we will cooperate with government departments concerned, Organizers and the venue regarding their supervision, inspection and management.
- Our company pledges to offer our entire field staff safety education and training sessions, assign a special staff for the fire safety and safe production matters at our booth, strengthen our on-site security inspections and management and implement the safety accountability system.
- Our company pledges to observe relevant national construction rules and regulations and guarantee that all our site operation workers and special operation workers hold corresponding operation qualifications or work licenses. In addition, we will take all the necessary safety precautions, including safety helmets for workers and safety belts for working at heights.
- Our company pledges to strictly observe fire and explosion prevention regulations. All our decoration and finishing materials for booth set-up will be non-flammable or flame retardant (with a burning behavior class of at least B1) and none of our building materials at the site will be flammable or explosive materials, including elastic fabric, straws and bamboo, etc. Flammable materials, such as timber structure, will be treated with fire retardant and massive use of timber structure will be avoided. We guarantee that our personnel will not smoke in the venue or bring flammable or explosive objects (such as paint, thinner and paraxylene, etc.) into the venue. We pledge not to use naked flame, electric stove or welding in the venue or use finishing materials and facilities clearly defined as obsolete by national regulations.
- Our company pledges to be compliant with operation requirements, observe safety regulations, equip ourselves with adequate fire-fighting equipment, and guarantee that no temporary structure or exhibit will impede the fire-fighting system, air vents, outlets or monitoring system or occupy fire exits or public passages so as not to obstruct any doorway of the venue.

Upon voluntarily signing the Letter of Commitment to the Safety of Special Booths, our company pledges to take full responsibility for the safety of booth set-up materials, construction, structures, etc., and take full responsibility for any consequence caused by construction, safe production or fire safety issues and the resulting legal and economic obligations. In case of any breach, our company pledges to take appropriate measures, including shutdown and rectification, as per the requirements of Organizers, the venue and government departments concerned. In addition, we will take full responsibility and compensate for any damage.

Form 17: Letter of Commitment on Application for and Use of Lifting Point Service	
Article I Our Head of Lifting Point Safety	
Booth No.:	Head of Lifting Point Safety:
ID No.:	Mobile:
Article II Commitments	
<ol style="list-style-type: none"> We promise that all the materials we submit for approval of the lifting point service are true and credible. We undertake to take charge of the safety of our own properties and staff, purchase insurance for them, provide necessary qualified labor protection equipment and supplies for ensuring construction safety, and to ensure that relevant operators wear safety helmets throughout the construction and dismantling of the exhibition hall. We undertake to provide sound safety education for construction workers, and not to engage any worker for the construction that has not received safety education and technical training and have not passed the assessment. We undertake to ensure that the workers who operate at heights shall only work after they pass the training of the safe production supervisor or the quality and technology supervision department, and obtain the certificate. We undertake to ensure the safety protection facilities for the construction, and to take measures to prevent any falling accident or injury due to falling objects. We promise that all the equipment, facilities, parts, components and other relevant materials we use are in compliance with the mandatory standards of relevant laws and regulations, and are safe and reliable. We undertake to cooperate with the lifting point service provider and the departments of the Exhibition Venue in their safety inspection of the construction site, and obey the instructions to rectify unsafe factors in a timely manner, eliminate risks of accidents and hidden dangers, and to prevent any personal injury accident. We undertake to abide by the Exhibitor Manual for the 8th China International Import Expo and other relevant safety regulations of the Exhibition Venue. We promise to construct in strict accordance with the approved drawings. In case of any discrepancy between the construction and the drawings, we will suspend the works, and obey the requirements of the lifting point service provider to make rectification. Where the lifting points become unavailable due to our breach of the Exhibitor Manual for the 8th China International Import Expo or other relevant safety regulations of the Exhibition Venue, we shall bear the cost of the lifting points and equipment that we have applied for. 	

Form 17: Letter of Commitment on Application for and Use of Lifting Point Service	
Article III Liability for Construction Safety Accidents	
<p>We undertake to bear any responsibility and compensate for any loss to the Exhibition Venue due to any personal injury, casualty, unsafe production and other liability accidents (including any third-party safety liability accident) caused by our improper design or inappropriate operation of our on-site personnel or any other factor, throughout the application and use of the lifting point service. In case of any major safe production accident receiving punishment from the relevant administration, we shall also bear any relevant responsibility.</p>	
Article IV Miscellaneous	
<p>This Letter of Commitment made by us is legally binding upon us.</p>

Form 18: Application for Elevating and Lowering Lifting Points							
Exhibitor:				Booth No.:			
(Elevating/Lowering) lifting point structure in the booth:				Construction Date: , 2025			
Filling Date: , 2025				Filling Time:			
Elevating and Lowering Height	Type of Hoist	Applied Period for Elevating and Lowering Lifting Points (Morning)		Applied Period for Elevating and Lowering Lifting Points (Afternoon)		Applied Period for Elevating and Lowering Lifting Points (Overtime)	
		8:30-10:30	10:30-12:00	13:00-15:00	15:00-17:00	18:00-20:00	20:00-22:00
<p>Notes:</p> <ol style="list-style-type: none"> The construction service provider refers to the constructor of the hanging structure and the operator of the manual hoist or the electric hoist. The lifting point users are responsible for any problems occurred during the operation of the hanging structure or the elevating and lowering of the hanging structure. The official constructor needs to review the overall drawings of the booth applying for lifting points, covering structural safety, fire safety and electrical safety, carry out on-site inspection on whether the hanging structure complies with the drawings, and confirm the safety of the hanging structure on site before operation. The lifting point service provider shall check the weight of the hanging structure and make sure that the weight of the hanging structure is within the weight limit ($\leq 150\text{KG}$ per point) before operation. The rented electric hoist shall be operated by the lifting point service provider in order to elevate or lower the hanging structure. The lifting point user shall accept the time adjustment made by the service provider according to the on-site situation. Electric hoists brought by the users shall be operated with their own consoles, and they shall promise to use qualified consoles that meet the national standards. Elevating and lowering shall be operated by technical personnel at the time as specified in the application. Elevating and lowering of the lifting points shall be applied for at least one day in advance.

Form 20: Application for NEV Charging and Related Safety Commitment					
Exhibitor:		Person in Charge of the Booth Safety:			
Booth No.:		Tel.:			
Mobile:		Fax:			
Email:					
Application Content					
Based on our actual needs, we need to charge NEVs displayed on our booth during the exhibition. The charging requirements for the vehicles are as follows:					
S/N	Vehicle Model	Quantity	Charging Power	Charging Date	Charging Duration
1					
2					
3					
4					
5					

Form 20: Application for NEV Charging and Related Safety Commitment	
<p>Application and commitment:</p> <ol style="list-style-type: none"> 1. A dedicated line for charging NEVs has been incorporated into the booth's electrical design in advance. The designed wiring and circuit breaker meet national standards and are capable of handling the maximum power required for charging the vehicles on display. 2. Line installation will be conducted in strict accordance with professional specifications, and appropriate engineering measures will be employed to guarantee the stability and reliability of the completed line. 3. We will use charging equipment specifically designed for the exhibited vehicles, ensuring it meets all relevant regulations and standards. No third-party manufactured charging equipment or portable chargers will be used. 4. We will strictly follow safe charging practices and charge within the approved charging time window to ensure the safety and reliability of the charging process. 5. During the charging period of the vehicles on this booth, we will entrust the security guard service to the property management unit of the exhibition venue (Shanghai Lujiazui Property Management Co., Ltd.). We will not hold the relevant parties responsible for any losses caused by normal fire extinguishing work by the security guards during the guard period. 6. We will be fully responsible for any personal injury or property damage that occurs during the charging process of the vehicles on this booth or due to other reasons of this booth itself.
