Cross-Border Financial Services Driving Globalized Corporate Development

Date: 13:30-16:00, November 6, 2026

Venue: Hall D2, Pavilion 4.2, National Exhibition and Convention Center (Shanghai)

Host: Bank of Communications

Introduction:

At present, the global economic and trade landscape is undergoing profound adjustments, with openness and integration emerging as the new trend. Against this backdrop, how to better support enterprises in "going global" and "bringing in" has become a key issue for financial services in promoting high-standard opening-up. This forum will focus on cross-border financial services and enterprise globalization, exploring the development of a more efficient, secure and sustainable cross-border financial services framework, so as to inject new momentum into strengthening the resilience of global industrial and supply chains and advancing enterprise globalization.
