Introduction:

This year marks the beginning of the National 15th Five-Year Plan. The Hong Kong SAR Government has announced "Hong Kong's First Five-Year Plan" to proactively align with the major opportunities arising from national development strategies. The symposium themed "Aligning with the National 15th Five-Year Plan, Serving the National Development, and Seizing New Opportunities for Hong Kong" will bring together a distinguished line-up of high-level speakers to examine how Hong Kong can leverage its unique advantages to better serve national development needs, promote exchange and collaboration among the Chinese Mainland, Hong Kong and international markets, while injecting fresh momentum into the country's high level opening up to the world.
