

## Appendix 13

### Notice on Prohibited and Restricted Items

To ensure the National Exhibition and Convention Center (Shanghai) is safe and orderly during the Expo, the Shanghai Municipal Public Security Bureau has formulated and issued relevant guiding principles on the regulation of items during the China International Import Expo and defined a list of prohibited and restricted items. Exhibitors, their contractors and staff are reminded to consciously abide by the regulations on prohibited and restricted items to ensure the safety and order of the Expo.

#### 1 Prohibited Items

Prohibited items refer to those that violate Chinese laws and regulations. Security personnel shall confiscate prohibited items according to the law, or immediately carry out emergency response, and detain the carriers and relevant personnel for investigation according to the law, if any such items are found. Prohibited items include:

1. Guns, ammunition and explosives.
2. Replica guns and controlled instruments including crossbows, bows and arrows and daggers.
3. Inflammables and explosives including fireworks and firecrackers, oil and ethyl alcohol.
4. Toxic and corrosive hazardous chemicals and radioactive substances, including but not limited to strong acid and radioactive isotope.
5. Dangerous substances including hazardous biologic preparations and pathogens of infectious diseases.
6. All narcotics, including heroin, cocaine, marijuana and crystal meth.
7. Other items clearly prohibited by China's laws and regulations.

#### 2 Restricted Items

Restricted items refer to those that are not allowed to be brought into the exhibition halls, since they might affect the security and operation of the National Exhibition and Convention Center (Shanghai), although they do not violate China's laws and regulations. Security personnel shall require carriers to discard restricted items in the designated containers, or place them (temporarily) in storage, or otherwise dispose them by themselves. Restricted items include:

1. A variety of soft and hard packaged beverages, including but not limited to water, tea, drinks (especially alcoholic ones).
2. Banners, slogans, billboards and other promotional items used for politics, race, religion or business, or those violating China's laws and regulations.

3. All travel tools, excluding strollers and wheelchairs and including but not limited to mopeds, electric bicycles, motorcycles (including mopeds), scooters, bicycles, skateboards and roller skates.
4. UAVs (unmanned aerial vehicles) and other low, slow and small (LSS) aircrafts.
5. Animals (excluding service animals like guide dogs).
6. Items that easily hurt people, including bats, long sticks, stick umbrellas and sharp objects.
7. Balls, bats, flying saucers and similar items.
8. Cases and bags which are of large size and not suitable to be taken into the National Exhibition and Convention Center (Shanghai) and exhibition halls.
9. Flags with a developed area of over 2 m\*1 m, and flagpoles longer than 1 m.
10. Unauthorized items that might interfere with the electronic signals of wireless communication, cluster signals in the National Exhibition and Convention Center (Shanghai), or might prevent others from visiting the exhibition halls, including but not limited to laser facilities, public address equipment, interphones and radio equipment.
11. Ignition tools including lighters and matches.
12. Other items that might be hazardous or violate China's laws and regulations, including injectors, agentia and kites.

#### 3 Notes

1. For any exhibits covering prohibited and restricted items such as knives, exhibitors shall apply for filing with the organizers for record in written form before the exhibits enter the National Exhibition and Convention Center (Shanghai). The applicant shall be responsible for the safety of the exhibits. See Form 17: Registration of Prohibited and Restricted Items for details.
2. List of prohibited and restricted items carried by licensed vehicles: the policy on prohibited and restricted items carried by licensed vehicles is implemented into accordance with the policy on prohibited and restricted items carried by people. Vehicles are allowed to carry necessary maintenance tools and emergency survival equipment, including but not limited to jacks, fire extinguishers, escape hammers and wrenches, screwdrivers, etc.
3. Devoted staff such as the media, with necessary equipment or supplies, can enter the National Exhibition and Convention Center (Shanghai) after the security check. However, these equipment or supplies shall be strictly managed by the competent department.
4. The maintenance and technical service personnel, with necessary maintenance tools and essential items, can enter the National Exhibition and Convention Center (Shanghai) after the security check. However, these tools and items shall be strictly managed by the competent department.

5. Professional etiquette personnel and cast members are permitted to take a small number of necessary cosmetics such as mousse and hair spray after identification. But their department must provide a personnel list, and shall make a commitment to guarantee.
6. The prohibited and restricted items do not include: the relatively long carry-on necessary equipment for people with disabilities-wheelchairs, walking sticks, and walking frames, as well as the carry-on necessary repair tools for people with disabilities in wheelchairs.
7. A small amount of first-aid medicine and necessary medical supplies that a disabled person carries are not listed into the prohibited and restricted items, but they shall be brought in after the confirmation of service personnel for people with disabilities.
8. The security personnel shall explain relevant regulations to those examinees carrying special drinks for special populations, such as infant milk and beverages for diabetics, all of which can be carried after on-site trial and registration, and be handled as particular cases.
9. It is allowed to carry with solid drugs within reasonable limits. Drugs in aqueous solutions are not allowed in principle, but to ensure actual needs, they can be taken and handled as particular cases after on-site trial and registration.
10. The individual inspection of laptops shall be conducted in the X-Ray equipment.
11. In principle, examinees with decorative items like flowers shall accept the check in the X-Ray equipment, while large bouquets are checked by the security personnel.
12. For those examinees who declare that they are pregnant or carry a pacemaker, the security personnel shall tell them that the security equipment has no adverse effect and they can accept the security check. When examinees insist not to pass the security door or accept the instrument inspection, the security personnel can conduct the inspection in an unarmed way.
13. For the suspicious airtight objects or packages discarded by examinees, the security personnel shall ask them to pick up them quickly and accept unpacking or vessel-opening inspection, or put them into the X-Ray equipment for inspection if necessary. The carrier shall be at the site during the inspection, and can only be released after safety confirmation.

## 4 Declaration Procedures

### 4.1 Online registration and declaration procedures

1. Exhibitors and contractors shall log onto the online exhibition affairs system to fill out and submit Form 17: Registration of Prohibited and Restricted Items according to the requirements on entry of prohibited and restricted items.
2. After the form submission deadline of Oct. 5, 2019, the organizer will review submitted forms. Regarding the forms that pass the review, exhibitors and contractors may download and print them via the online exhibition affairs system.

3. When entering the venue, exhibitors and contractors shall provide the foregoing stamped form that has passed the review to the security personnel during security check, and may only bring relevant items to the venue after onsite inspection.
4. Regarding those who are unable to apply online, the organizer will open an email application channel. Specific declaration procedure and method of response will be released later.

### 4.2 Onsite registration and declaration procedures

1. The organizer will set a form-filling service desk on the onsite service point; exhibitors and contractors may fill out the paper triplicate form of Registration of Prohibited and Restricted Items on the spot.
2. After being filled out, the form shall be submitted to the onsite staff for review. When it passes the review, the staff will keep one page for record and return the remaining two pages to the individual (exhibitor or contractor) that filled out the form, so they may give one page to the security personnel during security check and enter the venue with relevant items after passing the onsite inspection.
