Important Notes	
<p>1. Exhibition activities shall adhere to the principles of "safety first" and "the sponsor takes responsibilities". The area for this on-site activity in the form is only limited to the range within the booth. If exceeding the scope of the booth, in order not to affect the rights of other exhibitors and public safety, the on-site activity may be suspended or stopped.</p> <p>2. When filling in, please ensure that the above information and samples are true, correct and complete. If the above content is found inconsistent with the on-site situation, or if the site safety supervisor discovers safety problems in the course of the activity, the Organizers have the right to request rectification. If the circumstances are serious, the activity will be stopped. All losses and consequences will be solely borne by the exhibitor.</p> <p>3. The application form for the on-site activity in the exhibition hall will be reviewed by the Organizers together with the government safety supervision department. If necessary, the Organizers shall provide additional materials related to the activity including, but not limited to, the Work Program for Activity Safety, the Planning/Effect Map for the Site Layout, the Program for the Composition of Participants, the List of Participants and the Agenda for Activity.</p>	
Safety Responsibility Commitments	
<p>1. The company undertakes to strictly abide by the laws and regulations of the People's Republic of China, as well as the relevant safety policies and requirements of China International Import Expo, and to declare and organize on-site activities of China International Import Expo lawfully and civilly.</p> <p>2. The activities declared and organized by the company adhere to the principle of "safety first", take the initiative to investigate and eliminate all potential safety hazards, and ensure the safety of the process and content of the activities.</p> <p>3. The content of the activities declared by this company conforms to the theme of China International Import Expo, and all contents that may affect China's international image and the image of China International Import Expo should be avoided.</p> <p>4. The person in charge of the booth for the company is the first person responsible for the safety of the activities.</p> <p>5. The materials of activity declaration submitted by this company are absolutely true. They shouldn't be fraudulent or conceal facts.</p> <p>6. This company will carry out relevant activities in strict accordance with the contents that have been examined and approved.</p> <p>7. The company will actively cooperate with on-site safety supervisors to implement relevant security measures, accept supervision and obey command.</p> <p>8. The company undertakes to complete material correction and site activities rectification within the prescribed time limit. If the time limit is exceeded, leading to the failure of the activities and causing losses and adverse consequences, the company shall bear all responsibilities.</p>

<p>To ensure safety, our company hereby pledges to observe the following regulations and take responsibility for the security of any matters related to indoor and outdoor booth set-up, decoration, demolition and maintenance during the move-in, the Expo and the move-out:</p>	
<p>1. Our company pledges to conscientiously observe the guidelines and policies related to safety production and fire safety issued by relevant departments of the People's Republic of China and Shanghai Municipality and strictly execute all the related regulations, rules and provisions, including Fire Control Law of the People's Republic of China, Code for Fire Prevention in Interior Decoration and Design, Requirements on Fire Safety in Key Organizations, Code for Fire Prevention in Exhibition Buildings and Exhibition Design, Production Safety Law of the People's Republic of China, Regulations on the Reporting, Investigation and Disposition of Work Safety Accidents, and Regulations of Shanghai Municipality on Safe Production.</p>	
<p>2. Our company pledges to strictly observe relevant rules and requirements of the Organizers and the venue, including Exhibitor's Manual, Pre-Expo Notices, Move-in Notices, Safety Precautions, On-site Notices and National Exhibition and Convention Center (Shanghai) User's Manual. In addition, we will cooperate with government departments concerned, Organizers and the venue regarding their supervision, inspection and management.</p>	

FORM 13

<p>3. Our company pledges to offer our entire field staff safety education and training sessions, assign a special staff for the fire safety and safe production matters at our booth, strengthen our on-site security inspections and management and implement the safety accountability system.</p>
<p>4. Our company pledges to observe relevant national construction rules and regulations and guarantee that all our site operation workers and special operation workers hold corresponding operation qualifications or work licenses. In addition, we will take all the necessary safety precautions, including safety helmets for workers and safety belts for working at heights.</p>
<p>5. Our company pledges to strictly observe fire and explosion prevention regulations. All our decoration and finishing materials for booth set-up will be non-flammable or flame retardant (with a burning behavior class of at least B1) and none of our building materials at the site will be flammable or explosive materials, including elastic fabric, straws and bamboo, etc. Flammable materials, such as timber structure, will be treated with fire retardant and massive use of timber structure will be avoided. We guarantee that our personnel will not smoke in the venue or bring flammable or explosive objects (such as paint, thinner and paraxylene, etc.) into the venue. We pledge not to use naked flame, electric stove or welding in the venue or use finishing materials and facilities clearly defined as obsolete by national regulations.</p>
<p>6. Our company pledges to be compliant with operation requirements, observe safety regulations, equip ourselves with adequate fire-fighting equipment, and guarantee that no temporary structure or exhibit will impede the fire-fighting system, air vents, outlets or monitoring system or occupy fire exits or public passages so as not to obstruct any doorway of the venue.</p>
<p>Upon voluntarily signing the Letter of Commitment to the Safety of Special Booths, our company pledges to take full responsibility for the safety of booth set-up materials, construction, structures, etc., and take full responsibility for any consequence caused by construction, safe production or fire safety issues and the resulting legal and economic obligations. In case of any breach, our company pledges to take appropriate measures, including shutdown and rectification, as per the requirements of Organizers, the venue and government departments concerned. In addition, we will take full responsibility and compensate for any damage.</p>
