

# FORM 19 Letter of Commitment on Application for and Use of Lifting Point Service in Exhibition Halls

Please return this form by Sept. 25, 2020

To implement the policy of “people first, safety first” and ensure the safety of exhibition activities in accordance with relevant laws and regulations, we have made the following safety commitments in the process of applying for and using lifting points:

## Person in charge of the safety of lifting points

We confirm

Name: \_\_\_\_\_ ID No.: \_\_\_\_\_

Contact No.: \_\_\_\_\_ as the responsible person for the safety of lifting points in Booth No. \_\_\_\_\_ in this exhibition/event.

## Commitments

1. All the information submitted by us shall be authentic and reliable.
2. Be responsible for the safety of free property and our own personnel, purchase insurance for them, and equip them with necessary and qualified construction safety protection appliances and supplies, ensuring that relevant personnel wears safety helmets when entering the exhibition hall during exhibition move-in and move-out.
3. Improve the safety education system for construction workers, do not arrange unqualified construction workers who have not received the safety education and technical training for work.
4. Ensure that aerial workers obtain qualified training certificates of production safety supervision or quality control and supervision authorities.
5. Be responsible for ensuring the supply of construction safety and protection facilities. Take measures to prevent falling from height and resultant injuries.
6. All equipment, facilities, components, parts and other related materials used are in compliance with the mandatory standards in relevant laws and regulations, which are safe and reliable, and provide certificates of approval for relevant products, certificates for quality inspection, and other valid materials for future reference.
7. Cooperate during the safety inspection of the construction site by the lifting point service provider and all the departments of the Exhibition Venue, follow the arrangement to rectify unsafe factors in time, eliminate hidden dangers, and prevent and avoid personal injury accidents.
8. Abide by the *Exhibitor Manual for the Third China International Import Expo* and other safety rules of the Exhibition Venue.
9. Carry out the construction in strict accordance with the approved drawings. If the construction does not comply with the drawings, we will stop the construction and make adjustments as required by the lifting point service providers.
10. If the lifting points cannot be used due to our violation of the *Exhibitor Manual for the Third China International Import Expo* and other safety rules of the Exhibition Venue, we will bear the cost of the lifting points and equipment applied for.

**FORM 19 Letter of Commitment on Application for and Use of Lifting Point Service in Exhibition Halls**

**Responsibility for construction accidents**

We promise that in the process of applying for and using the lifting point service, we are responsible for any personal injury or death, production safety and other accidents due to our improper design or improper operation of our on-site personnel, including any third-party accidents, and at the same time compensate for the loss caused to the Exhibition Venue. If a serious safety production accident is caused, we shall bear the corresponding responsibilities upon receiving punishment from relevant administrative authorities.

**Others**

This commitment made by us shall be legally binding on us.  
This commitment is in triplicate, with the Exhibition Venue keeping two copies, and we keeping one copy.
