Amarcord 18K Gold Diamond Jewelry

This collection of jewelry is made of 18K gold and diamonds. Inspired by the famous 1974 Italian movie *Amarcord*, they recall the shapes and colors of nostalgia. Past, present and future merge together in a dream-like atmosphere. The hand-engraved gold creates the shape of
padding and pillows defined by skillful knurling, like a celebration of passions timelessly repeating.

"Dancing in the Rain" 18K Gold Diamond & Gemstone Jewelry

This collection of jewelry is made of 18K gold, diamonds and natural gemstones. Yellow gold balls with surfaces scratched by the diamond, drops of milky aquamarine, creamy pink opal and rutilated quartz are

arranged in warm and long lines with artistic references to the art nouveau era.
“(E) MOTION PETITE” COLLECTION 18K Gold Diamond & Gemstone Magic Jewelry

The “(e)motion petite” collection packs magic into the smallest space. They are magical and modern, feminine and fascinating. The miracle of transformation featuring "two-in-one" offers two different ways to wear the jewelry.

Alex Sepkus Jewelry 18K Gold Diamond & Gemstone Jewelry

Texture and Sepkus are almost synonymous. Microscopic textures, a signature of Alex's design, are created with custom hammers, which are made according to Alex's specifications. It takes preparation, vision and skill to adopt distinctive hammer's strikes and to transform them into symbolic Sepkus finishes.
Cameo Italiano Jewelry 925 Silver Cameo Jewelry

To reimagine the cameo through the innovation of essential production techniques, thereby offering a luxury object that is accessible yet characterized by the strict choice of materials and the creation which, even now after 50 years in business, rigorously relies on ancient artisanal techniques.

◆ Highlights

Cross Silver Jewelry

It embodies the European knight castle culture. The designer's
unrealistic world view, values and unique logical thinking are completely different from those of Asian jewelry brands, completely overturning the client's traditional impression on the visual image of silver jewelry. The tail feathers are shining brilliantly.

Eagle Silver Jewelry

The shiny silver surface is specially blackened during the handmade
process. This treatment not only endows the silver jewelry with a nostalgic sense of beauty, but also improves overall gradation because of the dark and bright contrast on the silver surface.

**Feather Silver Jewelry**

Various design elements of the silver jewelry present a gothic style, a delicate sense of beauty, together with freezing, piercing, and bizarre beauty, displaying the European medieval elegance.
Silver Bracelets

It integrates modern fashionable and classic elements in the simple design and strikes a perfect balance between classic style and fashionable trend.

Bright Feather Silver Jewelry

The shiny silver surface is specially blackened during the handmade process to create the dark and bright contrast on the silver surface and
improve the overall gradation, which combines detachment with passion.
