

Health for All : New Concepts and Drivers for Harmonious Economic and Social Development

Date: 14:30-16:30, November 5, 2021

Venue: Hall A2, Pavilion 4.2

Hosts: Ministry of Commerce of the People's Republic of China

Shanghai Municipal People's Government

Organizers: China International Import Expo Bureau

National Exhibition and Convention Center (Shanghai)

Introduction:

Health is the base for both the comprehensive development of mankind and the sustainable development of economy and society. The worldwide spread of the COVID-19 pandemic has caused public health to become an important issue that all the countries should face and coordinate together. The topic will provide dialogue opportunities for sustainable development and inclusive growth of the global economy, exchange ideas on public health cooperation of all countries and co-building a community of common health for mankind.
