Founded in 2016 and headquartered in Beijing, Beijing Tuoshi Space Culture Communication Co., Ltd. is a large comprehensive service company integrating exhibition design and construction, exhibition hall design and construction, and conference and event planning and execution.

We boast an independent art creation center, gathering top domestic designers. The design works are used in exhibitions and public spaces at home and abroad, and some works are collected by institutions or individuals. We have a professional team for installation and follow-up service. For specific projects, all departments work together to ensure that projects are progressed in an orderly manner from planning, design, installation and maintenance. Over the years, we have maintained the customer-driven marketing strategy and provided services for more than 800 customers in more than 50 industries. Relying on years of experience in brand full-case service, we provide customers with professional and high-quality brand globalization one-stop service.

Since the establishment, we have developed domestic and international markets with our professional design concepts and "one-stop" service spirit based on years of experience accumulation. Our business scope has been expanded to the exhibition field of all walks of life, especially in construction and operation of exhibition design, which has been widely praised.

We have an excellent team for design and execution and mature production process. We are ready to provide the best design schemes and the most rigorous engineering construction, as well as the most perfect systematic services for customers all over the country.

Currently, with Beijing, Shanghai, Guangzhou and Chengdu as the platform and the integration of the advantages of professional personnel in these four places, we constantly provide professional services for enterprises nationwide by upholding the concept of "ubiquitous and continuous communication" and the mission of "providing customers with integrated image design schemes".

a&a Expo International China (Beijing) Co., Ltd. (a&a Expo International China) is subordinate to the Dutch a&a Expo International Group, which provides the total solution with integrated services of international exhibition. Since entering the Chinese market in 2003, by combining the experience and technology of the European headquarter with the actual operation of the domestic market, a&a Expo International China has developed the elastic solutions. In addition, in the past 19 years, our company had provided high-quality exhibition stands and services for many international brands and activities, such as Volkswagen, Audi, Porsche, Bentley, Maserati, Haier, etc. At the same time, as an official contractor, the company participated in the constructed work of the Olympic Club of the 2022 Beijing Winter Olympics and won wide acclaim from the International Olympic Committee. In general, a&a Expo International China had always upheld the principle of "Quality first and service first" and enjoyed a high reputation among its customers. But "this is far from enough".

Founded in 2012, DEIZ MESSE SERVICE is a service provider concentrated on commercial exhibition, enterprise showroom displays and roadshow/events across China, Europe, the United States and APME. We were an exhibitor at the 4th & 5th China International Import Expo (CIIE), and a supporter and official cooperative company in social media promotion of the 5th CIIE. "Focusing on creative and make it real" is our philosophy embedded in every creative solution we execute to the satisfaction of our customers. Based in Shanghai with branches in Hong Kong and Haikou, we aim to provide better integrated exhibition and marketing services to a wider customer base. DEIZ MESSE SERVICE is a member of China Association for Exhibition Centers, Shanghai Convention & Exhibition Industries Association and Hainan Convention and Exhibition Industry Association. Our mission is to "Motivate our clients' business and marketing growth with substantial insight and creativity", our vision is to "Grow as the primary choice of integrated marketing communication partner of our clients", and our value is "Deep insights, Pragmatic creativities, Seek perfection". We offered exhibition and marketing services to Standard Chartered Bank, UPS, Stryker and TÜV, BioMérieux, among other companies in the past four CIIEs and drew lavish praise from them. Besides the CIIE, we are also an exhibition design and construction service provider recommended by CPHI. Our works made a successful presence at some high-profile events in China and elsewhere, including CES, AWE and MWC. In addition to commercial exhibitions, Deiz Creative Solutions, our parent company, also provides integrated marketing (advertising & creative) services, ranging from strategy to online/offline promotion, and has won a raft of laurels, like Shanghai International Advertising Awards and TopDigital Awards in the integrated marketing category.
